## Active Reading Means...

Making predictions about what will happen next.

**P**

"I predict that... Because..."

"In the next chapter I think..."

"I wouldn't be surprised if..."

Asking questions about what is happening in the story.

**?**

"I wonder why...?"

"I wonder what it means when...?"

"Why doesn't (character)...?"

Connecting what you are reading to your own life or to what you really know.

**C**

"When I read about...it made me think of..."

"Reading this reminds me of..."

Having reactions to what is happening in the story.

**R**

"I was surprised when..."

"I was disappointed when..."

"I was confused when..."

"I was really angry when..."

Giving opinions about what you are reading.

**O**

"I felt...when..."

"I think the character should have..."

"In my opinion..."

Writing a short summary of what you have read.

**S**

"The most important events were..."

"In this chapter the main character..."

"In this reading I discovered that..."

Reading "under the surface" or thinking about what is happening that isn't being talked about.

**U**

"This is what I think is really going on here..."

"I think this is what's happening..."

Discovering the author's message.

**M**

"This story made me realize..."

"I think (main character) learned that..."

"The message of the story was..."
